DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The Applicants' amendments filed along with the remarks on 09/09/2004 were carefully reviewed. The amended independent claims 1, 11, 13, 15 and 17 and new claims 18 are allowed based on the limitations of "wherein the remote controlling is performed via a control signal independent of the switched communications lines" as recited in the claims. The amended independent claims 3 and 4 are allowed based the features of "wherein said network interface device includes a remote unit, and wherein the remote unit is interconnected to an antenna for providing a fixed wireless communications path to the competitive local exchange service provider network," as substantially described and connected to claim 3 and "wherein said at least one of the first and second telephone service provider uses a digital broadband wireless air interface," as substantially described and connected to claim 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
